

# CosmanParkes

RETHINKING SAFETY

**Mike Cosman and Helen Parkes**  
have joined forces to offer  
a fresh perspective to those  
leaders seeking to foster safe  
and sustainable businesses.

## OUR CORE SERVICES INCLUDE:

- Enhancing governance -through Board education, advice and support
- Promoting assurance- developing KPIs and reporting frameworks
- Independent investigation -getting to the root causes
- Coaching and mentoring-supporting your key staff to develop their skills and competence
- Comprehensive reviews-undertaking objective audits
- Risk management-putting health and safety in its strategic context
- Expert advice -what does good look like, how are we doing?
- Asbestos management-awareness, risk assessment, training

We care about your people and your business.  
Let us help you rethink your approach to health and safety today.

## ABOUT US:

We have over 50 years combined experience across all business sectors and operational risks as regulators, consultants, advisors, managers and directors.

As tertiary qualified Chartered Members of IOSH we bring credibility and professional competence, whilst as Members of the Institute of Directors we offer an understanding of the challenges faced by executives and those in governance roles.
